### Constitution Amendment Proposal

### Venue Limitations

At the 2022 EGM the point was raised by Richard Stocking (*Witney Roadrunners*) that the point 11.2 of League's Constitution no longer reflects the reality in terms of the majority of the venues being located within Oxfordshire and should be altered accordingly.

*Current wording:*

#### 6. Venues

- 6.1. ...
- 6.2. In any one season the target shall be for 3 of 5 fixture venues to be within the County of Oxfordshire.

*Proposed revision:*

#### 6. Venues

- 6.1. ...
- 6.2. In any one season the aim shall be for the majority of the fixture venues to be within the County of Oxfordshire. Bearing in mind the requirement to ensure a variety of courses over the course of a season, that should not preclude the selection of venues outside Oxfordshire, if deemed necessary.
