A blustery day at Ardington brought the league further variety to complete the season. The long haul up towards the Ridgeway gave the hill specialists a chance to show their mettle. Thank you to course organisers White Horse Harriers who recovered well from the opening race which went off course near the start and had to be stopped and restarted. Everything else went extremely smoothly yet again.

The overall winners were worked out promptly with help from Jan Johanson, still not quite 'retired'! The clubs presented Jan with a silver tray inscribed "To Jan, in recognition of many years hard work on behalf of the Oxfordshire Cross Country League". The awards for the season were presented by Stuart Earp, Sports Editor of our sponsor, the Oxford Mail.

At the end of the season the league looks back and thanks all the clubs who organised the courses: Bicester, Banbury, Kidlington (with greatly appreciated help from Headington), Cirencester and White Horse. Special thanks go to

A consistent series of races by Bill Sayer of Witney secured the over 50 title.

Oxford's C.O'Keefe leads Headington's Sue Mercer

those who spent long hours marking courses, marshalling, and helping with the disks in the finish funnel, to Andy Reading for getting us all off at the start and to the Oxon AA timekeepers for their precision work at the finish. Your efforts were rewarded by the continuing success of the league. The numbers of competitors have increased slightly; 1566 finishers compared to 1549 last year. This year's results database has a total of 536 different runners. The distribution of runners against clubs, races, and categories appears on page 6.

Please consider whether splitting the men's team race into two divisions has been successful. Discuss it in your club and let your representatives bring your views to the league AGM to be held in the late summer when a decision will be made whether to continue it next year with promotion and relegation. Lastly, please could clubs bring forward proposals for new or existing courses for next season.
