cross country league

A mild, misty morning greeted us on the horse track at Ascott. The going was firm and, although the course was wet, the mud did not stick. Everything went very smoothly thanks to our hosts Witney Road Runners, and the experience of former league coordinator, Jan Johanson, in charge.

Here are a few notes to bring everyone up to date following problems with marshalling and course length which occurred last month at the Westminster College. A letter to the league from Bicester AC was circulated to clubs. A response to this letter has now been received from Bob Price, General Secretary of Oxford AC, who reports that a full enquiry has been conducted and he offers fullsome apologies for the problems which occurred. After considering the responses received from the clubs the league officials propose to let the results of the first round stand.

The results team must offer apologies to the club's involved for wrongly attributing 4 Headington ladies to Kidlington in the printed results for round 1. In fact Headington A were 3rd in the team result. This has now been corrected in the data base.

Andy Reading calls the girls to the start of race 4

Radley complete a clean sweep of the first four places of the under 13 & under 15 girls, with Gemma Brown (centre) and Donna Barrow (right) holding off Oxford's H.Thompson.

We have had more problems with our results database. Please check the overall individual positions. The score should be the sum of the first and second round positions. Let us know of any errors.
