**B**icester AC splendidly organised round 2 on a mild, dull day at Kirtlington Park, which although very flat, provided the first sticky mud of the season. In a last minute change required by the land owner, the previously agreed route through the wood was moved to the field. Despite this, the 2 lap men's course, introduced to cut down the requirements for marshalling, proved to be suitably challenging.

In Race 5 the boys ignored the marshall and headed straight across the paddock towards the finishing straight, avoiding the muddy lane and saving a few yards. Since the same route was followed by all in the race, the result was considered to be fair.
